structure, including question types, sections, and marking scheme.

2. Develop personalized study plans and adopt effective time management and problem-solving strategies.

3. Gain familiarity with reliable resources and practice materials for efficient preparation.

4. Feel more confident and motivated, equipped with practical tips to overcome exam-related anxiety and perform to their potential.

Overall, participants will leave with a focused approach and actionable steps to boost their CAT exam readiness.

### Brief content of the event:

The "Guidance for CAT Examination Preparation" program, led by Mr. Murali Dharan Rajasekar at Aalim Muhammed Salegh College of Engineering, provided a comprehensive overview of the CAT exam, covering key topics such as the exam pattern, sections, and syllabus details, including Verbal Ability and Reading Comprehension (VARC), Data Interpretation and Logical Reasoning (DILR), and Quantitative Ability (QA). The session guided students on creating an effective study plan, managing time, and selecting quality resources, with practical techniques for problem-solving, logical reasoning shortcuts, and reading comprehension. Participants also learned how to utilize mock tests, analyze results to identify strengths and weaknesses, and make adjustments to enhance their performance. The event concluded with an interactive Q&A session to address individual concerns and specific preparation challenges, along with final tips on exam day strategies and motivational insights from Mr. Rajasekar on maintaining focus, confidence, and perseverance for CAT success.

### Detail of Resource Person

Name	Mr. Murali Dharan Rajasekar	
Email Id	<a href="mailto:murali@connectededucation.in">murali@connectededucation.in</a>	
Mobile Number	+91- 9042963579	
Job	CEO of CONNECT Training Solutions (P) Ltd.	
Educational Qualification	BE in Electronic Communication and Engineering	
Detail	<p>As an entrepreneur and founder of CONNECT Training Solutions, I am deeply committed to empowering the next generation of students and professionals with the skills essential for success. I believe training and development go beyond acquiring skills; they involve cultivating the mindset and attitude necessary to excel in a competitive job market. With over a decade of experience in teaching, I specialize in preparing college students for successful careers through job placement training. My training approach includes comprehensive career guidance, communicative English, soft skills, resume writing, interview skills, aptitude, and computer programming training.</p> <p>Having worked extensively with more than 100 engineering and arts/science colleges, I have trained over 300,000 students as of July 2018. In addition to student training, I am passionate about enhancing cognitive abilities through aptitude training for corporate employees, helping them sharpen the critical thinking and problem-solving skills vital for their fields. I bring expertise in identifying and recruiting top talent across various industries and roles, using a data-driven approach and a deep understanding of the hiring landscape. Whether you are a startup building a team or an established company filling a key role, I have the expertise to find the right talent.</p> <p>I am particularly interested in working with schools, colleges, corporates, and social organizations, inspiring and motivating people through keynote sessions. My areas of expertise include happiness, self-realization, public speaking, stress management, mindfulness, relationships, startups, business leadership, and career guidance. My mission is to create a world where every individual has the opportunity to reach their full potential, beginning with investing in education and training.</p>

### Detail of Resource Person

Name	Mr. Vijiyaragavan	
Email Id	Vijay896@gmail.com	
Mobile Number	+91- 9791487334	
JOB	Technical trainer of NIIT Ltd	
Educational Qualification	BE in Computer Science and Engineering	
Detail	<p>Mr. Vijiyaragavan is the Technical trainer of NIIT Ltd, a leading Global Talent Development Corporation. Mr. Vijiyaragavan works on creating comprehensive training materials that address the latest technologies and methodologies. He ensures that the curriculum remains relevant and engaging, incorporating real-world scenarios to enhance learning. Conducting training sessions is a core aspect of his job. He utilizes various teaching methods—classroom instruction, hands-on workshops, and virtual training sessions—to accommodate different learning styles. His ability to explain complex concepts in a simple, relatable manner helps demystify technology for many learners.</p> <p>Evaluating the progress of trainees is crucial. Mr. Vijiyaragavan administers assessments and provides constructive feedback, guiding students on areas for improvement. This iterative process not only helps learners grasp technical skills but also boosts their confidence. Staying connected with industry trends is essential for any technical trainer. Mr. Vijiyaragavan collaborates with industry experts to understand the skills that employers are looking for, ensuring that the training programs reflect current market needs. Skilled individuals are more likely to innovate and contribute to their fields. By equipping trainees with the latest knowledge and tools, Mr. Vijiyaragavan fosters an environment where creativity and problem-solving thrive. Many of his trainees go on to secure promotions and higher-level positions, thanks to the skills and knowledge gained during their training. This not only benefits individuals but also contributes to the overall growth of the organizations they join.</p> <p>Mr. Vijiyaragavan's role as a Technical Trainer at NIIT Ltd. is instrumental in shaping the next generation of technology professionals. Through his dedication to curriculum development, effective training delivery, and mentorship, he significantly impacts the careers of countless individuals</p>

## **REPORT OF THE PROGRAMME**

### **ON COMPANY SPECIFIC TRAINING PROGRAM**

College Name: Aalim Muhammed Salegh College of engineering.

Date: 26.02.2019

TYPE OF EVENT	Career Guidance program
VENUE	Abdul kalam auditorium
TIME	12:30 pm
CONDUCTED BY	Aalim Muhammed Salegh College of Engineering
ORGANIZED FOR	B.E students
NAME OF THE COORDINATOR	Mr. Ravikumar Placement Head
ATTENDANCE	119
Resource Person	Mr.Jit Goel, CEO Mr.Jeno, Project Lead XCEL Corporation
Objective of the Event	The objective of the Career Guidance program organized by XCEL Corporation is to empower and equip participants with the essential skills and knowledge needed to navigate their career paths effectively. By providing insights into industry trends, skill development, and professional networking, the program aims to bridge the gap between academic learning and real-world applications. It seeks to inspire and guide individuals in making informed career choices, enhancing their employability, and ultimately fostering a more skilled and adaptable work force.

LEARNING OUTCOME	Participants in the Career Guidance program conducted by XCEL Corporation will gain a comprehensive understanding of the current job market landscape and the skills required to excel in their chosen fields. They will develop practical insights into industry-specific trends and career opportunities, learn effective strategies for resume building, interview techniques, and professional networking. Additionally, attendees will acquire valuable knowledge on aligning their academic qualifications with real-world job expectations, enhancing their overall employability and career readiness. This program aims to instill confidence and provide actionable guidance to navigate the complexities of career development successfully.
------------------	---

### Brief content of the event:

Aalim Muhammed Salegh College of Engineering organized a Session on company specific training in the Abdul Kalam Auditorium. The Career Guidance program organized by XCEL Corporation offers a multifaceted approach to career development, featuring a series of workshops, interactive sessions, and expert talks. The event covers essential topics such as understanding industry trends, building effective resumes, mastering interview skills, and leveraging professional networking. Attendees gain hands-on experience through mock interviews and personalized feedback, while also exploring potential career paths and opportunities within the technology sector. The program is designed to provide practical tools and actionable insights, helping participants make informed decisions and strategically plan their career trajectories.

Name	Mr. Jenio	
Email Id	Jenio1983@gmail.com	
Mobile Number	+91- 9756487687	
JOB	Project Lead in XCEL Corp	
Educational Qualification	BE in computer science and engineering	
Detail	<p>Project Lead Jenio at Xcel Corp likely oversees project management and development activities within the organization. In this role, Jenio would be responsible for planning, executing, and monitoring projects from inception to completion, ensuring they align with company goals and meet quality standards. Key responsibilities might include coordinating team efforts, managing resources, setting deadlines, and troubleshooting issues that arise during project execution.</p> <p>Jenio would also serve as a point of contact between upper management and project teams, ensuring clear communication, maintaining schedules, and delivering progress reports. This role typically demands strong leadership, communication, and problem-solving skills, as well as proficiency in project management tools and methodologies like Agile or Scrum, depending on the company's workflow.</p>

Educational Qualification	BE in Civil Engineering	
Detail	<p>Er. Sriraman V is an accomplished civil engineer with extensive experience in construction management, project execution, and infrastructure development. As the Executive Director of GBL-Prayojana Construction Management Training Institute in Chennai, he plays a pivotal role in shaping the future of civil engineering professionals through education and training. His expertise and insights make him a valuable resource person for seminars, workshops, and academic discussions in the field of civil engineering.</p> <p>With over two decades of experience in the civil engineering industry, Er. Sriraman has worked on diverse projects ranging from residential buildings to large-scale infrastructure developments, such as highways and bridges. His professional journey includes significant roles in:He has successfully managed multiple projects, ensuring they are completed on time, within budget, and to the highest quality standards. His ability to coordinate with various stakeholders, including contractors, architects, and clients, has been instrumental in his success.</p> <p>Er. Sriraman is adept at overseeing construction sites, ensuring compliance with safety regulations, quality assurance, and effective resource management. His hands-on approach enables him to identify potential issues early and implement effective solutions.At GBL-Prayojana, he focuses on training the next generation of civil engineers. He designs curriculum and training programs that bridge the gap between academic knowledge and industry requirements, preparing students for the challenges of the civil engineering profession.</p>
