Awareness program on POSH (Prevention & Prohibition of Sexual Harassment) has become the most significant topic of discussions in the current scenario. Especially in work place with regards to the healthy work environment, socio-economics, and trivialized equity in terms of women empowerment are of crucial concerns in revitalizing human rights. The circulation of several reports related to the problems faced by women makes it clear that harassment against women, across any age group and in any form has never stopped. It throws light on the challenges encountered by women. In India, several analyses reveal that women systematically face discrimination simply by virtue of being biologically soft. The discrimination leads into verbal, physical and sexual harassment.

In this connection, Awareness program on POSH was organized by Aalim Muhammed Salegh College Of Engineering.

This Awareness session helped the students and faculty members to know about the need, mechanism in place and implications of POSH in

Awareness program on POSH (Prevention & Prohibition of Sexual Harassment) has become the most significant topic of discussions in the current scenario. Especially in work place with regards to the healthy work environment, socio-economics, and trivialized equity in terms of women empowerment are of crucial concerns in revitalizing human rights. The circulation of several reports related to the problems faced by women makes it clear that harassment against women, across any age group and in any form has never stopped. It throws light on the challenges encountered by women. In India, several analyses reveal that women systematically face discrimination simply by virtue of being biologically soft. The discrimination leads into verbal, physical and sexual harassment. In this connection, Awareness program on POSH was organized by Aalim Muhammed Salegh College Of Engineering.

This Awareness session helped the students and faculty members to know about the need, mechanism in place and implications of POSH in academic environment. Redressal mechanism was also discussed during the session.

The session commenced at 2:30 pm on 4th March 2022 and Welcome Address & Speaker Introduction was given by Ms. Nancy Jebarani, Assistant Professor, AMSCE, followed by the session. The session resource person was expert member Mrs. Adhilakshmi Logamurthy Advocate, Social Activist, Legal Consultant and Trainer who is certified POSH trainer.

OBJECTIVES OF THE AWARENESS SESSION

1. Define Ragging: Clarification of what constitutes ragging.
2. Identify Ragging Activities: Education on recognizing ragging behaviors and their consequences.
3. File Anti-Ragging Affidavits: Instruction on how to properly submit anti-ragging affidavits.

Measures Adopted

To effectively prevent ragging on campus, the following initiatives have been implemented:

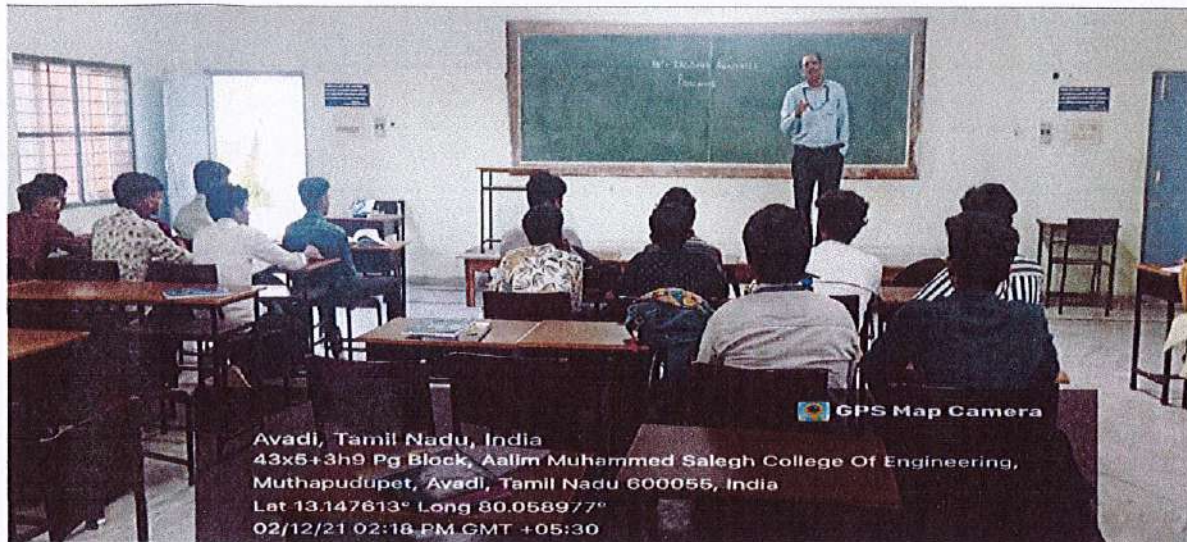

- Formation of an Anti-Ragging Committee: This committee is tasked with ensuring compliance with anti-ragging regulations and relevant laws.
- Awareness Campaigns: The committee is dedicated to raising awareness about the UGC Regulations on curbing ragging, specifically those outlined in 2009.
- Affidavit Submission: All students are required to submit anti-ragging affidavits at the time of admission.
- Surprise Visits: The Anti-Ragging Committee conducts unannounced visits to classrooms to monitor and prevent potential ragging incidents.
- Signage and Messaging: Informative boards and posters have been placed throughout the campus to remind students of the importance of refraining from ragging.

REPORT

Awareness program on POSH (Prevention & Prohibition of Sexual Harassment) has become the most significant topic of discussions in the current scenario. Especially in work place with regards to the healthy work environment, socio-economics, and trivialized equity in terms of women empowerment are of crucial concerns in revitalizing human rights. The circulation of several reports related to the problems faced by women makes it clear that harassment against women, across any age group and in any form has never stopped. It throws light on the challenges encountered by women. In India, several analyses reveal that women systematically face discrimination simply by virtue of being biologically soft. The discrimination leads into verbal, physical and sexual harassment.

In this connection, Awareness program on POSH was organized by Aalim Muhammed Salegh College Of Engineering. This Awareness session helped the students and faculty members to know about the need, mechanism in place and implications of POSH in academic environment. Redressal mechanism was also discussed during the session. A special lecture on "Women's Safety and Awareness" on 20th January 2021 at 2.00 PM by Mrs. Annapoorani Kirthivasan Soft Skills and Communication Trainer. Participants are Female students & Women Faculty members of AMS Group of Institutions. Lecture was on the general awareness & safety aspects for women when they are at home, work & at the public places wherever they visit. Also she explained as a demo on how to react & handle the situation if one is facing the threat. She also explained about the acts helping for women's safety & gave an outline about PoSH Act also. All these were well narrated using various examples /case studies she came across in her vast experience.

ACTION PLAN – ANTI RAGGING COMMITTEE

Review of Anti-Ragging Policies:

The existing anti-ragging policies were reviewed and discussed. It was highlighted that all students and staff should be made aware of the policy through regular communications.

Compliance with Guidelines:

The committee noted that all first-year students had submitted their anti-ragging affidavits as per the UGC regulations. It was suggested that the orientation program for new students include detailed information on anti-ragging measures.

Preventive Measures:

- **Awareness Programs:** The committee discussed organizing workshops, seminars, and awareness drives, involving senior students to ensure the message reaches all corners of the campus.
- **Posters and Signage:** It was agreed to display more posters around the campus, especially in hostel areas, detailing the anti-ragging helpline numbers and consequences of ragging.

Reported Incidents:

No serious ragging incidents were reported during the meeting period.

Future Initiatives:

The committee proposed conducting surprise checks in hostels and common areas, and to have more frequent student counselling sessions for fostering a positive environment.
