

AALIM MUHAMMED SALEGH COLLEGE OF ENGINEERING

Seminars/conferences/workshops conducted by the institution

The poster features a white background with a teal and green wavy design at the bottom. It includes logos for AALIM MUHAMMED SALEGH COLLEGE OF ENGINEERING, NAAC Accredited, and the Institute of Industrial Design (IID). The text is arranged in a clear, hierarchical manner, starting with the college name and department, followed by the lecture topic and date. A QR code is provided for registration, and contact information for the organizers is listed at the bottom.

3D PRINTING TECHNOLOGY IN CONSTRUCTION

Using an automated machine (3D printer), the structure of a construction project is automatically printed on a layer-by-layer basis. Thus, this technology has huge potential to save laborious construction work and impact the construction labor market
