

AALIM MUHAMMED SALEGH COLLEGE OF ENGINEERING

Approved by All India Council for Technical Education, New Delhi

Affiliated to Anna University, Chennai

NAAC Accredited Institution

"Nizara Educational Campus" Muthapudupet, IAF-Avadi, Chennai - 55.

STRATEGIC PLANNING AND DEPLOYMENT

1. Teaching and Learning

- Increasing the utilization of smart classrooms and Audio-video methods to visualize the latest technology and to understand complex phenomena.
- Final Year students presentation skills has to be enhanced from project work and motivated to present research article in seminars.
- Student's performance in internal and model Exam has to be monitored and improvement has to be obtained by counseling the mentor/mentee students.
- Employability can be improved by conducting soft skill training and coaching.
- Student's talent has to be assessed to top entrepreneurship and self employability.
- Faculty member will be encouraged to attend faculty development programmes, workshops and seminars to upgrade their technical skills.

2. Research and Development

- Final year project has to be research oriented and interdisciplinary concepts have to be incorporated.
- Design and fabrication projects and other talented student's minds should be identified and encouraged to apply for patents.
- Student's innovativeness can be improved by conducting training programme and short lectures from industrial experts.
- Contemporary post graduation courses have to be started in next few years.
- Research centre's to increase creative thinking and improve research output has to be established.
- Faculty members are encouraged to publish research articles in indexed and impact factor journals.

3. Infrastructure Facilities

- Upgrading the present laboratories and establishing new facilities according to the need.
- Promoting computational facility by upgrading the computer hardware and increasing the internet bandwidth.
- Constantly developing the hostel facility to accommodate more students and increase the other facility for the betterment of student community.
- Maintaining the present fleet and increasing the commuting facility according to the need.
- Improving the sports facility to create health conscience among the students and to conduct zonal, inter/Intra College, university level and national level tournaments.
- Granting seed fund for students project and research.
- Refilling of the Fire Extinguisher, First Aid Box and Renewal of the Fire Service License and Battery Maintenance in all Laboratories.

4. Community Engagement

- Events of NSS units will be increased to make the habit of community service among students.
- Taking part in national developments by organizing and participating in social awareness programmes.
- Supporting the nation in the time of disaster and need.
