

STUDENTS FEEDBACK FORM

EVALUATING THE TEACHING PROCESS

(To be filled by Students)

Name of the Student & Reg No (optional) 110121106001

Academic Year : 2022-2023

Department EC

Semester/Sec: 03

This Feedback is being sought from you as a part of the continual improvement program in vogue in every Department. Please give your fair and unbiased response. You may rank the Teacher on a scale of 1-5 in each box as your feedback score for each parameter

(5 - Excellent 4 - Very Good 3 - Good 2 - Satisfactory 1 - Poor)

S. No.	Subject Code	MA3355	CS3353	EC3354	EC3353	EC3351	EC3352
	Name of the Faculty Member						
Please read the lines below as "The Teacher."							
1	Comes to the class on time	5	5	5	5	5	5
2	Comes well prepared for the class	5	5	5	5	5	5
3	Engages classes regularly and maintains discipline	5	5	5	5	4	5
4	Speaks clearly and audibly, writes and draws legibly	5	5	5	5	5	4
5	Covers all the topics on time.	5	5	5	5	5	5
6	Offers timely assistance and counseling to the Students	5	5	5	5	5	5
7	Asks questions to promote interaction and reflective thinking.	5	5	5	5	5	5
8	Explains clearly and effectively the concepts/principles with appropriate examples.	5	5	5	5	4	5
9	Encourages, compliments, praises the originality and creativity displayed by the Students	5	5	5	5	5	5
10	Is understanding and unbiased in dealing with the Students.	5	5	5	5	5	5

From: hr@nitrr.ac.in

It is with great pride and sincere collaboration that we are writing to you as I write the 5th year partnership with our prestigious institute - Nitrr College of Engineering and Technology - Chennai for Caterpillar Placement Drive. We started off in the year 2007 offering job opportunities for the students graduating from our Institute.

AMS college is identified as one our trusted sources to rely on when it comes to hiring Technical and Engineering Graduates – Freshers over the years.

Having said that I would like to make some special mentions about 2 specific Engineering students who joined us in the year 2022.

In the year 2022 we hired 2 Engineering students from Mechanical and Computer Science majors from AMS Engineering College and the name are:-

1. Mohammed Afreed – Male – B.E Mechanical
2. Sathishwarri Marimuthu – Female – B.E Computer Science

Mohammed Afreed – Joined us as a Team Lead in our Assembly operations in 2022. He is a quick learner and is very keen on getting into details of the Job he does. Afreed shows interest in the work he does and never fails to deliver his job on time. Further, he is a team player working collaboratively with his peers and cross functional department members. He is an individual with good discipline coupled with great time management skill. We are glad to have him here as a Team Lead and we fore see him to become a successful Engineer in the nearest future.

Sathishwarri Marimuthu – Joined as a Technical Trainer in the Training and Induction team in 2022. She is a smart and bright young graduate who trains and inducts the new joiners. She also designs and develops training modules for new joiners. Sathishwarri is strong when it comes to data tracking and analysis, she is approachable and an aggressive learner with great potential. We are proud to have a diverse employee taking up this role of a trainer and we see her getting transformed as a matured Engineer over the days.

Once again, I truly appreciate your efforts in Molding and Uplifting the next generation of students and producing Smart and Talented Technical and Engineering professionals the Industries need.

Thank You very much. I value your relationship.

Regards,
Rafath Ahmed

INDUSTRY FEEDBACK FORM**

Name : **Dr. MOHAMED ABBAS S**
 Name of the industry : **HOIST INDUSTRIES**
 Phone number : **72999 44410**
 Email id : **admin@hoistindustries.com**

FACTORS	STATEMENTS	EXCELLENT	GOOD	SATISFACTORY
Department Vision	To become the best mechanical engineering department through innovative teaching, research and project-based learning	✓		
Department Mission				
Mission 1	To provide solid technical and theoretical knowledge in mechanical engineering through efficient teaching and learning methods	✓		
Mission 2	To improve students' lives by encouraging moral principles, original thinking, and entrepreneurial spirit		✓	
Mission 3	To foster lifelong learning by pursuing higher education	✓		
Program Educational Objectives (PEO)				
PEO 1	Develop novel procedures to solve industrial challenges through the knowledge acquired in core engineering	✓		
PEO 2	Establish a business or sector as an entrepreneur with professionalism, effective leadership, teamwork, and moral principles to address societal needs.	✓		
PEO3.	Develop sustainable solutions to fulfil the needs of society and build a brighter future by pursuing higher education	✓		
Program Specific Outcomes (PSO)				
PSO 1	Assess, create, and develop solutions for social and industrial issues by utilizing engineering design principles.	✓		
PSO 2	Utilizing new technologies and modern tools, to develop creative answers for current issues in the manufacturing sector.	✓		
Suggestions	Overall, we found that your Curricula are fulfilled the gap between Educational Institution and Industries. This may helpful to students.
