INVOCATION

In the name of Allah, the Beneficent, the Merciful

Praise be to Allah, Lord of the worlds,
The Beneficient, the Merciful
Owner of the Day of Judgement,

Thee alone we serve,
Thee alone ask for help,
Show us the straight path,

The path of those, whom thou hast
favoured,
Not the path of those who earn Thine
anger,
Nor of those who go astray.

Aameen!

NATIONAL PLEDGE

"India is my country, all Indians are my brothers and sisters,

I love my country and I am proud of its rich and varied heritage, I shall always Strive to be worthy of it.

I shall give parents, teachers and all elders respect and treat every one with courtesy.

To my country and my people I pledge my devotion, in their wellbeing and prosperity alone lies my happiness".

AALIM MUHAMMED SALEGH TRUST

"Be Learned or
Be a Learner or
Be a listener or
Be of help to the above"-prophet (PBUH)

ALHAJ Dr. S.M. SHAIK NURDDIN founded the Aalim Muhammed Salegh Trust after his father's name in the year 1990.

The Trust's first educational establishment Aalim Muhammed Salegh Industrial Training Centre, located at Muthapudupet, Avadi - IAF, Chennai - 600 055 was started in the year 1993.

The year 1996 saw the establishment of Aalim Muhammed Salegh Polytechnic College situated at Muthapudupet, Avadi, IAF, Chennai - 600 055.

In the year 1997 the Trust established Aalim Muhammed Salegh College of Paramedical Sciences at Anna Salai in the heart of Chennai. This Institution offers a course in Bachelor of Physiotherapy.

The Millennium year 2000 saw the establishment of Aalim Muhammed Salegh College of Engineering.

In the Year 2011, The Trust has established Aalim Muhammed Salegh Academy of Architecture.

Aalim Muhammed Salegh College of Engineering offers EEE, ECE, CSE, Civil Engineering, Mechanical Engineering, and B.Tech- IT

All Degree courses of four years duration comprising Eight Semesters. Anna University conducts Examinations in every six months.

The College Timings:

For 1st Year

9.00 a.m. to 1.10 p.m.	- Forenoon session

Students should be punctual to the college.
Attendance for Tests and Model Exams are compulsory.

Assessment and Evaluation: Teacher – Guardian system is introduced in this college to monitor the Progress of the students and to take corrective steps to improve the performance of the students. The students' attendance and progress in studies are periodically monitored through Unit Tests and Model Examinations prior to University Examinations. The Marks obtained by the students in the Tests and the Model Examinations are regularly sent to Parent / Guardian for follow up. The students are awarded prizes not only for regularity in class attendance but also for highest academic scores in the university Examinations.

It is mandatory for the Parents to meet the Principal / Head of the Department of their ward regarding academic performance once in a month or at least in a semester.

ENGLISH LITERARY INNOVATIVE FORUM

The English Literary Innovative Forum of English Department is a forum started during the academic year 2010-2011, where students are exposed to the main concerns of literary art to stimulate their receptivity and creativity. In the pursuit of this aim, number of activities is organized to hone the inherent talents, to create an exposure to the outside world and to provide an avenue to compete and win literary contests. This forum helps students to learn, compete and win. Guest lectures are conducted to expose students to English language and its impact in the modern world. Interested candidates can join English Literary Innovative Forum.

ENTREPRENEURSHIP DEVELOPMENT CELL

Entrepreneurship Development Cell provides a platform for the budding entrepreneurs to learn about entrepreneurship and enhance their skills and it helps students to share their ideas with the world and provides them with tools to develop, grow their ideas into a successful venture. Entrepreneurship Development Cell was founded in 2012, with an aim to coordinate the entrepreneurial activities in and around Tamilnadu. It has been high on the cell's agenda to promote entrepreneurship attitudes among the students and has held a gamut of events to achieve the goal. The cell has also initiated a unique attempt to provide the students

and the startups with a unique platform called the Startup showcase wherein, the students may apply for internships at these startups, and the startups get to tell the audience about their business, and meet potential clients and investors. The membership is open for both UG and PG. Willing candidates can register with

Mr. Khaja Mohideen
Head, Master of Computer Applications

NATIONAL SERVICE SCHEME
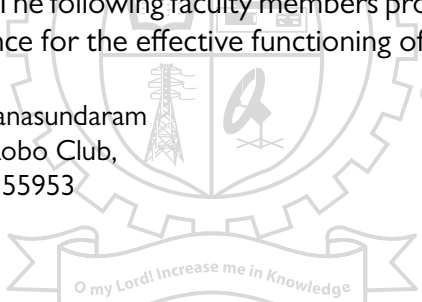

National Service Scheme is a student – centered programme and it is complementary to education. It is a noble experiment in academic extension. It inculcates the spirit of voluntary work among students and teachers through sustained community interaction. It brings our academic institutions closer to the society. It is a link between the campus and community, the college and village, knowledge and action. The overall aim of NSS is the Personality Development of students through community service. It gives an extension dimension to Higher Education system and orients the student youth to community service. Interested candidates with service motive can register with

Dr. K. Suresh Kumar
Programme Officer, NSS.

THE ROBO CLUB

The Robo Club (or Robotics Club) is a fraternity, not just a group but a faction of such students whose passions dwell in beholding wires and metal, beget a machine that has a brain of its own. It's here, that seeds of lecturing are sown by those experienced and erudite, nurtured by the interested and novice pruned by minute yet unprecedented errors and harvested in competitions all over India. The Club offers indispensible guidance, workshops and tutorials along with tools, equipments, components and workspace. The family meets periodically to discuss over matters such as the management of the workspace, workshops, projects and competitions. There are no pre-requisites to join because we have members that believe in the transfer of knowledge, especially that which concerns our precious interest in Robotics. The following faculty members provide the support and guidance for the effective functioning of the club.

NPTEL

*"EVERY DAY DO SOMETHING THAT WILL INCH YOU
CLOSER TO A BETTER TOMORROW"*

The National Programme on Technology Enhanced Learning (NPTEL) was initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore. Five core disciplines were identified, namely, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering and Mechanical Engineering and 235 courses in web/video format were developed in this phase. The main goal of NPTEL Phase II was to build on the engineering and core science courses.

Some Highlights:
- Largest online repository in the world of courses in engineering.
- Online web portal http://nptel.ac.in
- More than 56000 hours of video content
- Most accessed library of peer-reviewed educational content in the world

Local Chapter (LC)
Aalim Muhammed Salegh College of Engineering is a NPTEL Local Chapter (LC) since 2017. From then the faculty and student have shown keen interest in learning through these Massive Open Online Course (MOOC) and promoted as ACTIVE Local Chapter.

Pan IIT Alumni Leadership Series (PALS)

PALS is an educational initiative of Alumni of all IITs, supported by IIT Alumni Industry Interaction Centre (IITAIIC) and IIT Madras Alumni Charitable Trust (IITMACT) for the benefit of students of selected engineering colleges in Tamil Nadu (to start with). PALS today offers a year long program with various activities for the students, faculty and management of Engineering Institutions.

Industry Projects and Internships are provided to the students to provide them with an exposure to industry. The offerings are frequently revised to keep them in tune with changing market conditions

From Aalim Muhammed Salegh College of Engineering 1219 students and 69 faculty members were benefited through various activities from PALS.

PALS conducts various events though out the year like, Campus Lecture Series, Theory to Practice Lectures(T2P), Live Web Streaming(T2P), Educational Summit, FDP, Industrial Visit to Faculty Members and Students, Residential Workshops, innoWAH! Competition, Visit to IIT Madras Research Park, Industry Internships.

ICT ACADEMY

ICT Academy is an initiative of the Government of India in partnership with the State Governments and Industries. ICT Academy is a not-for-profit society, the first of its kind pioneer scheme under the Public-Private-Partnership (PPP) model that conduct programmes to train the higher education teachers and students thereby exercises on developing the next generation teachers and industry ready students. Our college collaborated with the ICT Academy in the year 2019.Our College aspires to participate in various technical activities organized by ICT Academy throughout the country. The key agenda of our ICT team is to encourage the students to attend multiple Seminars, Hands-on Training programmes organized by the ICT Academy. The following Faculty Members are providing their support and assistance for the effective functioning of ICT Academy in our college.

RESEARCH AND DEVELOPMENT

Aalim Muhammed Salegh College of Engineering has formed an Ecosystem for Innovation Including Incubation Centre (EIIC) and Projects, Technical Talk, Research related activities for making and transfer of technical knowledge. Faculty members are authorized to take up research activities with existing facilities.

The Institution has a Research & Development (R&D) Cell to monitor and address the issues of research by the Principal Dr.M.Afzal Ali Baig and Associate Professor Dr.S.Sathish, Director R&D, Heads of Department and Senior Faculty Members of Civil Engineering, Mechanical Engineering, EEE, ECE, CSE, IT and MCA.

Research & Development (R&D) Cell is performing the following activities:

- Motivating the importance of research amongst faculty members and students.
- Motivating the research collaborations with industries.
- Motivating the faculty members and students for higher education.
- Organizing the online webinars, workshops, seminars, invited lectures and conferences.
- Encouraging the faculty members for doctoral programme.
- Encouraging the faculty members to enhance the paper publications.

The roles and responsibilities

- To support the faculty members to conduct various technical events such as workshops, training programs, seminars, conferences and symposia.
- To prepare annual research activity plan for all the departments
- Take up appropriate problems of the industry for finding solutions through R&D projects assigned to Faculty Members and Students.
- To initiate and promote MoU with industries and R&D organizations for consultancy, collaborative research, sponsored projects, Industry Institute Interactions etc
- To motivate students for presenting papers in National and International conferences To Motivate and encourage students' participation in competitions and exhibitions conducted by IIT'S, NIT'S, Anna University, and IET, SAE, PALs, HACKATHON.

SOFT SKILL TRAINING PROGRAMME

Centre for Soft Skill Training Programme (C-SSTP) was started in the even semester of academic year 2017-2018 to give the training on English language and to strengthen the core subjects expertise through training on National Programme on Technology Enhanced Learning (NPTEL). The C-SSTP mainly focuses training to our first and second year students of all engineering departments. Soft Skill Training Programme (SSTP) sessions training are given by our Faculty Members from six Engineering Departments and from English Department. SSTP consists of the following sessions.

• Seminar by the students – Students will be giving seminar on their interested topic using Power Point Presentation, animation and writing board effectively.

• Training and Awareness about IELTS – Introductory information about IELTS and Awareness about IELTS.

• Soft Skill Training – Students will be given training on Soft Skills by our English Language Faculty Members.

• NPTEL Phase I Training – Recorded videos of selected core subjects from NPTEL will be displayed, taught and test will be conducted.

• NPTEL Phase II Training – Mentoring the students on different core subjects and helping the students to clear NPTEL Online Examination.

All the above sessions attended by our students of are being evaluated by our Faculty Members every academic year. The distinguished students secured first three ranks will be honored with prizes and certificates during the celebrations of our Independence Day while other students are given with the Certificate of Participation for their performance in the SSTP sessions.

CAREER PLANNING DEVELOPMENT CELL

Career Planning Development Cell was established in the year 2003. The aim of the CPD Cell is to provide training to Engineering and MCA students from the first year till their course completion to impart various soft skills and enable them to acquire employable skills. Strategic planning is carried out in the 7th semester for placements and enable the students to participate in the recruitment drive organized by CMM Level 5 companies and place them in TCS, CTS, Syntel, L & T, I Gate , Wipro, MRF, Maclellan, Schneider Electric, Axles India, JK Tyres, Nokia Siemens Networks, Blue Star,CSS Corp, ETA Ascon, Connect switch gear LLC, Sutherland etc.

The goal of the CPD Cell is to provide 100 % placement to all the eligible students in reputed companies. Many of our students placed in campus recruitment in these companies have grown up in the organizational ladder and are now leaders in many organisations. Every year placement Day is organised and the Offers are distributed by our Secretary and Correspondent.

TCS iON DIGITAL LEARNING

TCS iON digital leaning programme is aimed to enhance the technical skills of the Engineering students. Complete learning experience is attained by Learning, Planning, Assessing, Assigning and Evaluating through its access.

We have obtained 550 users licenses in the following technologies.

1. C   - 224
2. C ++   - 33
3. PHP & MY SQL - 39
4. Android Application Development and Testing - 192
5. CENA   - Certified Enterprise Network Administrator   - 62

The User ID & Password is allotted to each Students of the Second and Third years on 09-01-2019.

The learning process is incorporated in their academic curriculum. This learning process is aimed to obtain certification to the student community in these technologies.

JIO INCUBATION CENTRE

Reliance- JIO Incubation was initiated in the year 2018 in our Campus. Reliance JIO launched a product FTTH – Fiber to the Home. This router is aimed at providing internet access, voice calls and DTH connections to every house. JIO incubation Centre is aimed at providing training to all the Technicians in the FTTH from access point to installation and commissioning of router for the North Chennai Region.

Once recruited, the trainees will be attending the training classes in the classroom which is fully equipped with the technical components of FTTH. After the training programme the technical team will be deployed in their various offices located throughout the state of Tamil Nadu.\

Friends of College (FOC) & Friends of Hostel (FOH)

Our College has formed the different committees for the welfare of Students. The Friends of College (FOC) and Friends of Hostel (FOH) Student members of the college help to inspire the learning spirit and living-in harmony of the campus. They actively participate in organizing the events held in the campus. We have 54 FOC and 54 FOH Students from all the departments of our college.
